This year's preparation has been condensed into shorter sessions and it is therefore important not to miss any of the preparation. **You should arrive early (from 4.15pm) with your child as each session will start promptly at 4.30pm.** The preparation sessions will be taught by Fr Anthony and will lead directly into the 5pm mass, which you are expected to also attend with your child. Please book in the usual way so we can safely monitor numbers and ensure social distancing. You must wear a mask inside the church building, unless exempt. Please use the hand sanitiser when entering and leaving the church.

If you are not already in email contact with the parish, please email us with your name, your child's name and a contact telephone number to norwoodwest@rcaos.org.uk
 Do stay in regular contact with us and we will try our best to answer any queries.

If you wish to speak to Fr Anthony directly, please call 020 8670 1765.

Please ensure the spelling of your child's name is printed clearly on any forms, for the later preparation of their certificate. Thank you.

All arrangements are subject to change due to COVID-19 restrictions, though we will do our best to proceed with the dates above.
