Dear Father Anthony

I am aware of the huge amount of work that our faith communities across Dulwich and West Norwood have been doing during these very difficult months of coronavirus to provide support both to members of your individual communities and the wider community. I wanted to write to say thank you for all that you have done. My inbox has been full of the most harrowing messages from constituents facing bereavement, hardship, loneliness, ill health or financial uncertainty and it has been a great encouragement and inspiration to see the multiple ways in which so many in our community have rallied to provide help and support to each other. Much of this work has taken place within our faith-based communities and it has really made a difference.

Thank you for all that you have been doing. Please do let me know if there are any specific difficulties or challenges you are facing with which I can help. As you return to physical meetings, I would also be delighted to arrange to visit if this would be appropriate. If you would like to raise any issues or to arrange a visit, please email me at [helen.hayes.mp@parliament.uk](mailto:helen.hayes.mp@parliament.uk) or telephone 0207 219 1257.

Please do let me know if there is anything I can do to help.

With warmest wishes,

Helen Hayes MP

Member of Parliament for Dulwich and West Norwood
